

Remarks/Arguments

This application has been allowed; the issue and publication fees have not yet been paid. Applicants ascertained that Claims 5 and 12 are indentical (as a result of amendments in the earlier amendment after final). Applicants, therefore, submit this amendment under 37 CFR 1.312 wherein Claim 12 has been cancelled in order to eliminate the problem of two identical claims. Entry of this amendment under Rule 312 is requested.

Respectfully submitted,
